## Sing-Out Magazine v. 53/1 Mark Elliott *Good Life* (Cub Creek 1967).

Mark Elliott is a seasoned Nashville songwriter and producer who has released four solid albums of country music since he returned to performing in 200 after a 13-year hiatus. In classic country style, the messages of these songs are hard to miss: love, loss and the lure of the open road. They are rendered in a gruff but warm tenor, with the help of a fine set of sidemen, who occasionally add Dixieland horns and Celtic hornpipes to the mix. Mark also engages in some witty wordplay, including in the comic song “Arrogant People.” – Scott Sheldon
