

***MARK YOUR CALENDAR TO SEE ELLIOTT***

Mark Elliott, one of Nashville's more underrated songwriters, will celebrate the release of his new Cub Creek Records release titled, "My Great Escape". What sets Elliott apart from other songwriters is his exceptional voice. Sure the guy can write, as evidenced by his lengthy stay at Sony Tree music, but his voice is reminiscent of such country crooners as John Berry and T. Graham Brown. "My Great Escape" is well recorded, and the band is hot, pulling from the E-Street at times. Catch his show at the Radio Cafe from 7:30pm.-9:30pm. tonight! - Drew Whalen
